## Stakeholder Consultation on the Bachat Lamp Yojana

The Bachat Lamp Yojana (BLY) was launched at the National level on 25th February, 2009.

The BLY seeks to utilize carbon credit revenues from the Clean Development Mechanism (CDM) to bring- to the households CFLs at the price of incandescent bulbs. The descriptive BLY document can be accessed and studied on the web link [http://www.bee-india.nic.in/bly/BLY\\_manual.pdf](http://www.bee-india.nic.in/bly/BLY_manual.pdf).

BEE is conducting a stakeholder consultation at Hotel Le Meridian, Pune on the 26<sup>th</sup> March, 2009 from 2.30 PM to 4.30 PM.

The objective of the consultation is to disseminate information to stakeholders in West India like Distribution Companies, CFL investors and suppliers, Civil society, domestic consumers etc. about the Bachat Lamp Yojana and its benefits.

The stakeholder comments thus sought would be used to further strengthen BLY development as a CDM programme.

Attendance to the above stakeholder consultation is by invitation only. However, you can also provide your comments on email -- [bly@beenet.in](mailto:bly@beenet.in).
