BEE has initially focused on ten thrust areas. As a responsible NGO, ENFUSE, volunteer to play our humble and perhaps pioneering role of propagating the excellent objectives, plans and actions of BEE towards leading the country in the path of Energy Efficiency and conservation.

With the above background ENFUSE would like to augment the efforts of BEE in its endeavor. After much deliberation the Executive Committee of ENFUSE have decided to conduct a MEGA EVENT, titled "ENERGY VISION 2007" at Chennai from 10th to 12th October 2003 encompassing the following activities.

- NATIONAL SEMINAR TITLED "INDIA'S NEW ENERGY EFFICIENCY PROGRAMME: ROLES OF INDIVIDUALS AND ORGANISATIONS."
