

M.S.E.T.CO.LTD. Jambhul Ambharnath -II

Incentive systems to encourage the employees to Conserve Energy.

- 1 We give slogan “samachar dekhane se achcha hai, samachar ka vishay banana”
[Instead of watching TV, Try to become the subject of News.]

Mostly all families have 24 hours TV cables connection. Due to cable children & parents also waste their time in watching it. If we stop watching TV & that time given for our profession, reading writing habit, we can be success in our aim & we feel satisfaction. This can help in saving our electricity bill about 60 units per month. This step prove in helping in nation 's energy problems.

2. We also started using CFL bulbs in office premises and houses. By using such bulbs every employees are saving energy.
3. In our street lighting, on every tower there are four , 200 watts bulbs. Out of 3 have timers, which will be off after 21.00 hours automatically.
