

BUREAU OF ENERGY EFFICIENCY

Government of India, Ministry of Power

August 25, 2004

Dear Candidates,

We thank you very much for registering for the first National Level Certification Examination for Energy Managers and Energy Auditors. We hope you must have gone through the Course Books extensively, which were provided to you as a part of syllabus / curriculum in order to assist you to write the examination. Since this was the first attempt in preparing the Course Books, there may be much scope of improvement in terms of technical contents coverage, misprints of language formulas etc. We are sure, you might have come across such improvement areas while going through the Course Books.

We, therefore, request you to please forward us your observations, areas for improvement, the printing & formulas mistakes etc. Please give us the feedback course book wise. Each feedback may please indicate the reference point, i.e. book No., Chapter No., Page No., Line No. (Up / Bottom wise).

We may like to inform that we are in the process of revising the first edition and we would like to incorporate your valuable suggestions / modifications in the second edition of Course books for National Level Certification Examination for Energy Managers and Energy Auditors.

Further, we would like to inform that 200 best observations/ improvements submitted on the Course Books will be reimbursed Rs. 2,000/- each as professional service rendered. Please send your entry either through Email at: books@energymanagertraining.com or through Post/Courier so as to reach us by 10th September 2004 at the address given below:-

Bureau of Energy Efficiency
Hall No. IV, 2nd Floor, NBCC Tower,
15, Bhikaji Cama Place, New Delhi-110066.

Please also indicate your name, registration No., Email Address and full correspondence address as well as name & address of the company where you are employed (if any). The result will be announced on 30th September 2004 on www.energymanagertraining.com.

We once again thank you for your time and cooperation in this regard.

Thanking you,

Yours faithfully,

Ms. Chakarvarti

(K.K. Chakarvarti)
Energy Economist
