XXXVII DAIRY INDUSTRY CONFERENCE

7-9 February 2009, Kala Academy, Panjim, Goa

Invitation

Dear Fellow Dairymen and Friends,

The Indian Dairy Association (IDA) was established in 1948 with the objective to create a platform for dairy professionals, scientists, farmers, equipment manufacturers and service providers in order to provide them an opportunity for dissemination of knowledge & ideas and to promote the interest of dairying at national and international level by organizing seminars, symposia and exhibitions on a wide range of topics catering to the needs of various streams of Dairy Industry. The IDA also publishes a monthly "Indian Dairyman" and bi-monthly "Indian Journal of Dairy Science".

XXXVII Dairy Industry Conference is being organized by the Indian Dairy Association (West Zone) from 7th to 9th February 2009 at the picturesque venue of Kala Academy on the banks of river Mandovi, Panjim.

The theme of the conference is "Dairying for Livelihood and Growth" and we hope the topics covering this theme would be of interest to you all.

The Conference will be inaugurated by Dr. A. P. J. Abdul Kalam, Former President of India and will be addressed by the leaders of the Industry.

You are invited to be a part of this Mega Event of the Dairy Industry by participating as a Delegate, Exhibitor, Advertiser or a Sponsor. You can also share your knowledge by presenting a paper or poster during the technical sessions.

The Exhibition at the conference will enable you to showcase your products and services and also offers an opportunity to interact with the decision makers of the Dairy Industry who would like to source the plant and machinery, veterinary drugs, biologicals, feed ingredients, IT services and finances required by them. The Indian producers and suppliers of the Dairy Products & Services will also be able to meet overseas importers who are trying to source from India.

The DIC will also help you to meet your old friends and colleagues and go down the memory lanes while relaxing on the silver sands of beaches in Goa.

It is expected that around 1200 - 1500 delegates from India and abroad will participate in the conference. On behalf of the Organizing Committee, we request you to register at the earliest as there are limited seats and exhibition stalls. You are also requested to book your hotels soonest and avoid any inconvenience, since during February 2009 there will be highest tourist inflow in Goa, due to Carnival. We have given a list of hotels in Panjim which have offered discounted tariffs and are located close to Kala Academy.

The payments of the conference can now be made at any branch of the Corporation Bank or by demand draft payable to:
