Feasibility Study of the: Energy Campaign for the Hotel and Catering Industry in India

E-HotCat

Conference and Coordination Forum

28-29 May 2009, New Delhi

Venue: Casuarina Hall, India Habitat Centre Lodhi Road, New Delhi

About the Event

This E-HotCat Conference and Coordination Forum will provide the opportunity to bring together various stakeholders in the coordinating of the Feasibility Study for the Energy Campaign for the Hotel and Catering Industry in India. Various workshop and dialogue sessions shall put into context the energy efficient issues in the hospitality sector in India and create a balance in terms of the organisational and financial setup of a nationwide energy efficient campaign.

The conference and coordination Forum will be attended by invited participants consisting of representatives from BEE, GTZ, Ministry of Power, Ministry of Tourism, Ministry of new and renewable Energies, Hotel and Restaurant Associations, State Designated Agencies, Tourism Development Corporations, Energy Consultants and NGOs.

The participants will engage in discussions and decisions in regards to the feasibility study, with the goal of realizing this campaign by the end of the year 2009. This will provide framework for using Energy efficiency measures and technologies for this sector and help in implementation of Energy Conservation Act 2001.

Participation

Participants to the conference will be invited personally by one of the E-HotCat Partners. Interested participants to the conference shall get in touch with us as per the invitation and further information shall be shared. Partners for this campaign can get financial support and assistance.

Others wishing to take part in the conference will have to organise their travel and accommodation on their own. Kindly send us an email to the below mentioned contact.

For more details and topics of the opencall for the workshop please refer to:

<http://ehotcat.adelphi-consult.com>

We would like to take pleasure in enquiring your interest in participating in the conference and kindly forward your interest by sending an email to: Mr. Ashok Kumar at akumar@emt.in.
