

EXCEL INDUSTRIES LIMITED

ENERGY MANAGEMENT POLICY

We, at Excel Industries Limited, are committed to conserving energy and natural resources in all our processes and activities:

We shall accomplish it through:

- Enhancing awareness of all members of Excel family towards energy and resource conservation and building competence to conserve through appropriate training.
- Maintaining Energy Conservation Cell to coordinate Encon activities:
 - Through review of monitoring and reporting systems and modifications.
 - Providing common platform for information sharing, comparing energy consumption norms within the organisation, with neighbours and with international norms.
 - Considering substitution with renewable energy sources where appropriate.
 - Ensuring management participation and budgetary support to energy management activities.
- Setting targets for reduction in specific energy consumption and developing action plans to achieve them.
- Seeking and exploring energy conservation opportunities through activities like energy balance studies, monitoring of utility equipments, evaluation of specific energy consumption of processes and experimental changes in energy sources.
